These 1050 commands/laws from the New Testament/Renewed Covenant were transcribed by Fran P.. During the process she checked each one verse by verse.

We would like to caution each reader to the risk of taking scripture out of context and making doctrines or dogmas' of them. It causes one to step in to legalism/phariseeism and can cause other's to stumble.

It is a great study resource for studying the commands in scripture but ONLY as a resource.

There are 766 major listings, the rest are found in the subsets (multiple scriptures)

This research is the work of many, formatted into a linkable topic search for the use of all. Please do not claim ownership of this work. It is a gift free for all to use. We pray it blesses you.
